

Robin L. Weis

(847) 494-4355 • robin@robinwe.is

EDUCATION

Northwestern University Class of 2014, Evanston, IL

- B.A. in Economics and Psychology; 3.6/4.0 GPA; 2.5 years of coursework in advanced statistics

WORK EXPERIENCE

McMaster-Carr Supply Company, Systems Department, Elmhurst, IL

Visual and User Experience Designer

Feb. 2016 – Mar. 2017

- Design interaction workflows for new B2B Preferences page using Illustrator and InDesign, allowing customers to change their delivery, payment, notification, and web settings via self-service
- Developed a curriculum and led design sprints for two cohorts during their orientation training, producing complete wireframes for a delivery estimate dashboard and a website interaction explorer
- Facilitated the design process for five 5x8 ft. infographics, coordinating with team members across the U.S. to consolidate and convey months' worth of research to the rest of the company
- Published guidelines for using data visualization, hierarchy, images, and icons in internal documents
- Created visualizations for annual budget meetings, handling sensitive data under a tight deadline

Network Security Engineer

Jun. 2015 – Feb. 2016

- Consolidated data of different structures and origins into an anomaly dashboard and alerting system in Splunk, helping the Security team detect, diagnose, monitor, and resolve threats in real-time
- Discerned, dictated, and managed the process for enabling over 7,000 IPS/IDS rules for seven firewalls

Applications Developer

Sep. 2014 – Jun. 2015

- Rewrote Punchout infrastructure in .NET to upgrade website security, phasing out legacy ASP code
- Debugged customer-facing issues with replacement orders, leading to a more graceful recovery when customers did not receive the material they expected

Chicago Innovation Awards, Chicago, IL

Program Coordinator

Jun. – Aug. 2013

- Managed outreach effort to over 1,000 organizations, contributing to a 44% growth in nominations
- Summarized, analyzed, interpreted, and ranked 562 applications to aid in judging process

PROJECTS & LEADERSHIP

www.robinwe.is
